International English

Karl Lagerfeld is a fashion designer with Chanel. He is German and lives in Paris, France.

This is what he says about his accent: "I have a French accent, but in German I have a French accent too. It's more my way of talking." (From Harpers Bazaar interview: <http://goo.gl/oc7mIB>)

5. Are French-German accents new / difficult for you to understand?

If yes, listen again and try to focus on his pronunciation. Do you notice any differences between your accent and his accent? Remember: different does not mean better or worse!
