## International English

Karl Lagerfeld is a fashion designer with Chanel. He is German and lives in Paris, France.

This is what he says about his accent: "I have a French accent, but in German I have a French accent too. It's more my way of talking." From Harpers Bazaar interview: <http://goo.gl/oc7mlB>

### **5. Are French-German accents new / difficult for you to understand?**

If yes, listen again and try to focus on his pronunciation. Do you notice any differences between your accent and his accent? Remember: different does not mean better or worse!

## Answer key and discussion

Now watch the answer key video to learn about French-German accents:
